How can we support you at the Dynamite Pizza Evening

- The building is wheelchair accessible and has accessible toilets with locks on the door which are easy to use (unfortunately the toilets do not have a hoist).
- We will have fidget toys on the tables and young people are welcome to bring their own.
- You can arrange to visit the Venue at an earlier date, meet staff from Dynamite and be shown the rooms where the event takes place.
- You can arrange to arrive earlier than other young people and meet the event organisers before other young people arrive.
- We can arrange to have ear defenders ready for young people when they arrive.
- We have access to a quiet space throughout all of our events.
- Young people are welcome to attend events with someone who supports them.
- We don’t have the lights too bright and can adjust them if needed.
- Young people can leave early if they need to (as long as they are safe).
- We can pair you up with a young person from the Dynamite Group who has attended these types of events before.
- We can answer any questions which you have about the event either by email, text or on the phone.
- We also have a small budget to support young people to travel to the event, if travel would otherwise be a barrier for them.
- We can not provide support with personal care but if a young person requires this support they are welcome to bring someone along who supports them.
- We are happy to make any other reasonable changes to the way we do things and will listen to suggestions from young people on how we can support them best, you can email on dynamiteportsmouth@gmail.com or call/text on 07905682886.
- If you would prefer for someone to call on your behalf then that’s ok too.
